## Why is this fund needed?

Once a K9 retires after 8 to 10 years of service the city no longer covers any financial support to the handler.

All expenses then fall on the handler who adopts the K9 upon the K9s retirement. These expenses include:

Any and all cost associated with the care of the K9 for its lifetime to include:

- ◆ Medical Bills
- ◆ Food
- ◆ Death Cost

## What CPAAA is doing:

- ◆ Set up an account with Chewy to allow the retired K9 handler to purchase the same brand of food for the K9 prior to being retired. This will ensure a healthy diet and extend the life of the K9.
- ◆ CPAAA will hold fundraisers and seek out donations to cover cost.
- ◆ Funds raised for this cause will be set aside for the K9s and tracked accordingly.
- ◆ At this time the funds will be to cover the cost of food. In the future it is our hope that as the fund becomes bigger the fund may help to cover other costs incurred.
